

For the Sponsor: Prospective Member Profile

Thank you for your interest and commitment in serving as a Sponsor. Orange Lawn Tennis Club is a great Club that should be a source of pride to all members. As a Sponsor, you assume significant responsibility for ensuring that future members will share in our Club's traditions and values. Importantly, your responsibility does not end when your Nominee gains admission to the Club. Your fellow members have every right to expect you to provide guidance to your new member regarding all facts of life at Orange Lawn Tennis Club.

The membership process at Orange Lawn Tennis Club is designed to support our goals of maintaining both membership standards and a premier club environment. The specific steps in the process are outlined below. Submission of this Profile as a Sponsor, is a preliminary step to the nominee's consideration for membership and should not infer the granting of any membership right to the nominee. As a Sponsor, you should review and be satisfied that the Profile Form is, to the best of your knowledge, true and correct.

1. A Prospective Member Profile should be obtained from the office. This sheet should be completed and returned to the Membership Chairman promptly, accompanied by:
 - Letters of endorsement from proposer, seconder and endorser.
 - All letter writers must have been members for at least eighteen months.
 - Additional letters of endorsement of the Nominee by other Members of the Club may facilitate his election and are desirable.
2. After receipt and review of the Profile, the Membership Chairman will call the sponsor,
3. ***Please Note:*** If negative comments regarding a proposed nominee are received, the nominee will be put "on hold", and the sponsor will be notified.
4. The Membership Committee will interview nominee, after which the nominee will be posted for a minimum of 25 days.
5. A formal application for membership will be given to the sponsor to be filled out by the prospective member. Upon receipt and review of this application, it will be presented to the Board for approval.

Thank you again for your interest and commitment. Please feel free to contact the Membership Chairman or any member of the Membership Committee if you have any questions.

Please Note: A current Board member may not sponsor or second a nominee, just support.
