Spring Junior Tennis Clinics  
September 6-September 28, 2017

Dear OLTC Members and Guests,

I hope that everyone had a wonderful summer. Its hard to believe that Fall is here but there is still time to play tennis outside. I would like to welcome all of you to the Fall Junior Tennis Clinics at Orange Lawn Tennis Club. Clinics are offered to juniors based on age and ability. each clinic focuses on particular aspects of development according to which clinic your child is signed up for.

Highly trained instructors teach our clinics with no more than 5 students per instructor. Our focus will be on the development of groundstrokes, serves, volleys and match play with the goal to develop juniors into tennis players with the ability to play and keep score. If your child has a friend that would like to participate, non members are welcome to join for an additional fee however, members have first priority. Please keep in mind that the tennis director reserves the right to place juniors in the appropriate class based on their ability and what would be most beneficial for the child.

Please chose the group, time and day or days that you would like to sign your child up for. If you have questions or need further information, please contact me at [scott@orangelawn.com](mailto:scott@orangelawn.com) or call 973 332-7418.

Regards,  
Scott Wlodychak/Director of Tennis @ OLTC
